REMARKS \_\_\_\_\_

25X1

- 25X1
1. On 19 and 22 June 1951, four twin-jet bombers made individual and formation flights at Justerbog-Altes Lager airfield. \*
  2. Residents from Annaburg, Torgau district, said that reconditioning was being done at the former Pretzsch airfield. \*\*
  3. On 23 and 25 June, twin-jet bombers practiced flying at Justerbog-Altes Lager field. The sky was overcast. Between 7 a.m. and 2 p.m. on 23 June, 50 flights were made over the field. There was no flying between 26 and 28 June.
- 25X1
- 25X1 \* [REDACTED] Comment. The report confirms the presence of type-27 jet aircraft at Justerbog-Altes Lager airfield. A total of two bomber regiments equipped with about 80 type-27 aircraft are believed to be stationed at the field.
- 25X1 \*\* [REDACTED] Comment. Pretzsch airfield had been previously plowed. No [REDACTED] reported indications for reconditioning work at the field.
